

LALIT HAMMAD

Senior Ruby on Rails Developer

Email: [your email] | **Phone:** [your phone] | **Location:** India (Remote, EU/US-friendly hours)

GitHub: github.com/Lalithammad | **Portfolio:** [your portfolio URL]

PROFILE

Ruby on Rails developer with 6+ years of professional software engineering experience, including 5+ years specializing in Rails. Proven track record building and maintaining high-traffic e-commerce and business management platforms, upgrading legacy applications (Ruby 1.3 → 3.0, Rails 3.2 → 5.8), and administering PostgreSQL at the infrastructure level (indexing, backups, replication). Comfortable owning systems end-to-end: API design, background job processing, authentication/authorization, payments, and deployment. Currently contracting on a QuickBooks benefits-administration platform at Intuit.

CORE SKILLS

- Ruby on Rails (3.2 → 7), Python / Django
- PostgreSQL (admin, tuning, indexing, backups, replication), MySQL
- AWS (S3, MinIO), Docker & Kubernetes (working exposure)
- Sidekiq, Devise, JWT, CanCanCan, ActiveAdmin
- Stripe, SendGrid, HelloSign integrations
- RSpec, Selenium, Bullet gem (query performance)
- REST API design, enterprise architecture, DevOps / release management basics
- AI/LLM integration: OpenAI & Anthropic APIs, RAG, prompt engineering

EXPERIENCE

Ruby on Rails Developer (Contract)

Jan 2026 – Present

- Contract Rails developer on Intuit's GoCo benefits-administration platform for QuickBooks.

Ruby on Rails Developer

Aug 2022 – Dec 2025

- Built and maintained an inventory management system for a high-traffic e-commerce platform.
- Worked across the stack with PostgreSQL, Sidekiq, AWS S3/MinIO, and Stripe payment integration.

Ruby on Rails Developer

Sep 2021 – Aug 2022

- Developed backend systems for Smartpath, a business management platform.

Ruby Developer

Mar 2021 – Sep 2021

- Led a legacy upgrade of the ACMS system: Ruby 1.3 → 3.0 and Rails 3.2 → 5.8.

Python Developer (Intern)

2020 – 2021

- Python development internships prior to specializing in Ruby on Rails.

EDUCATION

Bachelor of Engineering, Electronics and Communication Engineering

Medi-Caps University, Indore — 2015 – 2019
